Expenditure incurred by Government on certain

Palace departments 4104

13) At a rough estimate, the total amount of expenditure incurred by Govt. on behalf of the Palace would be nearly Rs. 20 lakhs in addition to the Rs. 26 lakhs towards the Privy Purse. If the consolidated allowance of Rs. 3 lakhs is enhanced to Rs. 5, 15, 000 as proposed by the Palace, another sum of Rs. ~~1, 15, 000~~ 2, 15, 000/-?? would have to be added to the Rs. 20 lakhs referred to above.

15) Would it be abt. 20 lacs. including Birthday Dasara Expt., direct & indirect? Are not some of the items in the Extra Rs 2, 15, 000/- already included in the Rs 20 lacs.? NS 27.11.50

Secy 25/11/50

CHIEF SECRETARY 8021 27 NOV 1950 GOVT. OF MYSORE

16) As far as can be estimated roughly, the additional sum of Rs. 20 lakhs would

seem to include Birthday and Dasara expenditure The latter is not booked separately in any Deptt. and the bulk of it is to be accounted for under "Entertainment of Guests" and "Illumination" and the expenditure incurred is debited to the budget provisions under 12. Gen. Admn. and the El. Deptt. respectively. These have to been taken into account in arriving at the Rs. 20 lakhs referred to above, and it is anticipated that the variation, if any, on account of other items of indirect expenditure like T.A. and D.A. would be negligible.

17) The extra Rs. 2, 15, 000 is intended for certain new items of expenditure proposed to be charged to the Rajapramukh's Allowance and for increased provision under certain items

already included. The details for the additional Rs. 20 lakhs are to be found in the Sh. flagged X, and about Rs. 25,000 has been taken at the end for purposes of rounding off, minor variations etc.

CHIEF SECRETARY TO GOVERNMENT.

Note.

Royalty in respect of Palace lighting, other lighting and illumination, and works and repairs was being previously debited to the head "12.A.General Administration." Consequent on the transfer of this charge to the Electrical Department in Government Order No.Fl. 10893/GF 195-48-3 dated 14th June 1949, that Department has been losing a substantial portion of the revenue from this source. Since these lights on which the royalty amounts to Rs.45,000/- has been illuminating the streets in Bangalore and Mysore cities and are intended mostly for the benefit of the public or for beautification, The Chief Electrical Engineer has suggested these charges being at least paid by the Municipalities concerned as the Department has continued to bear their maintenance expenditure.

The Commissioner of the Bangalore Corporation and the Mysore City Municipality have been requested on 7th June 1950 to forward the views of the respective Municipal Councils on the proposal of the Chief Electrical Engineer and their replies are awaited.

The other items of expenditure connected with the Palace are water supply and such other services rendered by the Municipalities at Bangalore and Mysore.

In pursuance of Official Memorandum No. 1979-2078/CB.73-50-1 dated 15th May 1950 information from the concerned Municipal Commissioners has also been called for in this behalf in this office letter No.L.2302-3 dated 26th May 1950

(1) providing separate grants under XIII L.7. for the Palace Dispys.

5 As re: the first proposal, the A.G. has said that necessary provision has been made in the budget of 1950-'51 in the respective heads of account coming under L.7. Dispensaries & a separate provision in this behalf was not allowed by Govt (Fin. Deptt) as it was considered unnecessary & the charges have to be met out of the usual grants under L.7. Dispensaries for the current year as the Palace Dispy is grouped under L.7 Dispensaries. But the SS. says in his letter dy 30.9.50 referred to in P.W.D. that the Palace Dispy stands on a footing different from the other L.7. Dispensaries. Therefore he has stated

Letter No.Gc.631/49-50 dated 25th October 1950 from the Senior Surgeon in Mysore, to the Secretary to Government, Public Health Department.

Sub:- Transfer of Palace Dispensary to the control of the Medical Department.

In reply to your letter No.M.1009/Med. dated the 10th October 1950, on the above subject, I have the honour to invite kind reference to letter No. 10393/C.B. dated the 16th June 1949 of the Chief Secretary to the Government of Mysore, Bangalore, to the Nuzur Secretary to His Highness the Maharaja of Mysore in the matter and to state that the question of taking over charge of the Palace Dispensary, Mysore to this Department is still pending for want of sanction of Government on the proposals submitted in this office letter No.G.C.631-26 dated 30-9-1950.

As already explained in the proposals, the Palace Dispensary, Mysore stands on a footing different from the other Local Fund Dispensaries and is in charge of a Surgeon. As this is not an institution under the control of the District Medical Officer, Mysore, separate grants will have to be provided under XIII Local Fund Dispensaries to facilitate the Medical Officer to note down the grants and submit the bills to this office for taking further action as in the case of other institutions.

Memo no. 10752-761/C.B. dated 24-X-50 from the Chief Secy to Govt re: the information in respect of expenditure incurred by Govt on certain palace Departments.

The administrative control of the two units of palace Troops, Viz., H.H. the Maharajah's own Infantry and H.H. the Maharajah's Body Guard was taken over by Govt in Jan'49. The other two units, Viz., the palace Silladar troops and the palace Artillery are under the control of the Military Bakshi, palace, Mysore. The expenditure in respect of all these four units so is borne by Govt. A sum of Rs 8.38 lakhs is provided in the current year's budget for the maintenance of these units. No part of expenditure of these units is debited to Civil List or the Rajapramukhi allowance.

These units will participate in Dasara and Birthday festivities and no expenditure is incurred in this respect as these units are stationed at Mysore. Even if any expenditure is incurred it will be met by Govt.

It may be stated in this respect that the pay of the Military Bakshi and his office was charged to Govt grants. There was a proposal to abolish the post of the Military Bakshi, as the ~~—~~ palace units were transferred to the administrative control of Govt. The file in respect of this was sent to Confidential Branch and it has not yet been returned. It is not known whether the pay of the Military Bakshi and his office is still debited to the Govt grant or whether it is met from the Rajapramukhi allowance. The C.B

Sir,

Subject: Notes of discussion of a meeting held on 20th October 1950 at "Lake View" Mysore, to consider matters relating to expenditure incurred by Government on certain Palace Departments.

Ref: This office memo No.10752-10761/C.R. dated 24th October 1950.

ANNEXURE.

SUBJECT:- WITHDRAWAL OF NOTIFICATION OF PUBLICATION OF BOOKS OF GREAT CULTURAL VALUE.

In Government Order dated 16-6-1949 it was ordered, that the work of translation and publication of Vedas and Puranas of great cultural value, which is now being sponsored by the Palace authorities may in future be undertaken by the Education Department, the cost being met from the budget of the Education Department.

Prior to the issue of the Government Order dated 16-6-1949 - referred to, the Dewan Secretary had, in his letter dated 12-11-1948, stated that up to the end of September 1948,67 works covering 205 - volumes had been printed and published at a cost of Rs.3,62,015/- that 13 works covering 101 volumes costing Rs.4,20,200/- were under print, and that 3 works covering 17 volumes costing Rs.20,400/- were under translation. After issue of the Government Order dated 16-6-1949 the Dewan Secretary pressed for payment of the expenditure of - - Rs.3,62,015/- incurred by the Palace up to the end of September 1948 for the printing and publication of 67 works and also for payment of expenditure incurred towards the printing and publication of 13 works under print and 3 works under translation. The Financial Secretary noted thereon on 17-1-1950 as follows:-

"According to Government Order dated 16-6-1949 what ever has been incurred as expenditure on this account has to be paid by Government only if incurred after that date. Any expenditure prior to that date should not fall on Government."

Government having accepted this view, the Dewan Secretary was intimated accordingly on 16-3-1950 and his claim for Rs.3,62,015/- which had been incurred prior to the date of issue of the Government Order, i.e., 16-6-1949 was disallowed. A sum of Rs.70,626-7-0 being the amount spent by the Palace from 16-6-1949 up to 15-3-50 has been ordered to be paid in Government Order dated 24-6-1950 on part print towards the printing of 13 works and translation of 3 works as detailed above.

By Government Order dated 16-6-1949 it was ordered that the work

the work may be undertaken by the Education Department. The Director of Public Instruction has stated in his letter dated 12-3-1949 that the Education Department is not in a position to undertake the work of this kind and that it would be better to transfer the work to the University. The Registrar, Mysore University who was consulted in the matter is agreeable to undertake the work, the same being done under the control and supervision of the Oriental Research Institute, Mysore. The Finance Secretary has been requested not to incur further expenditure on this behalf pending settlement of details for giving over this work to the University.

The works that have already been taken up have to be finished. The total cost of printing and publishing 13 works under print and 3 works under translation is estimated at Rs.4,20,200/- and Rs.20,400/- respectively, or Rs.4,40,600/-, out of which a sum of Rs.78,626-7-0 has already been ordered to be paid. Still a balance of Rs.3,61,973-9-0 will have to be paid to the Palace for the completion of these works. The Finance Secretary has now allowed Rs.75,500/- towards expenditure incurred from 13-3-1950 to 31-7-1950.

The balance that has to be paid is Rs.3,61,974/-. This is huge sum and cannot be paid in one year or two. A sum of Rs.78,626/- has already been paid this year. This sum of Rs.3,61,974/- is now proposed to be paid in four instalments of Rs.90,493-8-0 each commencing from the year 1951-52 out of University funds, necessary provision being made in the University budget in future years. During these four years no fresh works need be undertaken either by the Palace or by the University. The published volumes of these 16 works will be handed over by the Palace to the University and the University will arrange to submit 10 copies of each of the volumes of these works to His Highness and to sell the remaining copies.

The Financial Secretary and the Minister for Education agree to the proposals.

(Contd.)

The Chief Minister has ordered that this may be considered at a meeting of the Council.

For Secretary to Government,
Education Department.

DRAFT ORDER.

" Council approves of the proposal to pay the balance of - - Rs.3,61,974/- due to the Palace for completing the translation, printing and publishing of 16 Purunas and Vedas of great cultural value, in four equal instalments of Rs.90,493-8-0 each commencing from the year 1951-52 onwards out of University Funds, necessary provision being made in the University Budget in future years".

Draft.

A draft Council Note is put up ~~in~~ regard to the question of raising the Raja-pramukh's allowance of Rs.3 lakhs at which has already been fixed, to a sum of ~~Rs.5 lakhs~~ Rs 5,15,000 as now required by the Palace.

It must be said that in spite of the details given by the Private Secretary ~~xxxxxxxx xxxxxxxxxxxxxxxxxxxxxxxx~~ to His Highness in his letter dated the 17th Nov., 1950, it is not possible to either admit or to reject the enhancement proposed under each item. It would be necessary to get the full details regarding the proposed enhancement under the following heads:

(a) The full details ~~under each one of these items including~~ i.e. the number of the various kinds of servants, their pay, emoluments, the sources from which ~~which~~ such expenditure is now being met;

(b) The details regarding the expenditure under contingencies ~~with full details~~ and the last three years' actuals and the sources from which these are were being met;

(c) Details ~~xxx~~ regarding the Military Secretary's estt. and the sources to which the expenditure was charged so far;

(d) Details regarding the maintenance of wireless sets and Shikar expenditure;

(e) Similar details regarding encouragement to music and letters, etc.

Before the case is brought up to Council for a decision, it would seem to be eminently desirable to get at full details under each one of these items and then to sit with the Huzur Secretary and the Private Secretary and

Suptt. CB 18/12 18/11/50 CB.)

and discuss the matter with a view to finding out how many of these items, and to what extent they could be legitimately brought under the category of Allowances to the Raja-Pramukh.

Parri Passu it would also be necessary to find out how much of the expenditure under each item ~~which~~ is ~~going to be~~ either a source transfer ~~or is~~ susceptible ~~of~~ reduction. When this is done, a clear picture will emerge in so far as the Rajapramukh's allowance is concerned and the ~~xxxxxxxxxxxxxxxxxxxxxxxxxxxxxx~~ concerned papers can then be put up to the Council to enable them to take a decision on each of the items.

Apart from the Privy Purse of Rs.26 lakhs ~~of~~ and the Rajapramukh's allowance of Rs.3 lakhs as now fixed (to be revised to such higher figure as may be found necessary), ~~the~~ there are a number of items of expenditure ~~relating to the details above~~ under (a) met from the General Revenues either 12 Genl, Administration (1) Staff and Household of His Highness the Maharaja, or (b) under the various ~~particular~~ Departmental budgets under the State Budget, or (c) are now, for the first time, sought to be so charged ~~being done~~, ~~details~~ to be transferred to the State as a liability of the State. vide Sl. appended below:— The matters relating to the three items above are being worked up separately and it is felt that the Rajapramukh's allowance question can be decided independently of the decision that may be taken in due course of time in so far as the ~~question~~ expenditure sought to be debited to the State Budget is concerned.

Now details (a), (b) & (c) needed to approve figures & furnish details after,

If approved, ~~the~~ letters will issue to the Private Secretary and the Huzur Secretary calling for details and after these details are obtained and

and after discussion with the respective officers, the file will be put up to the Chief Minister.
